PRODUCTION STORY

Burlington District

North Carolina Annual Conference

The Methodist Church

Southeastern Jurisdiction

1950 - 1959

The Burlington District was formed in 1954 by taking 26 charges from the Durham District, 12 from the Fayetteville District, and one from the Raleigh District. There were 88 churches in the District originally. Two churches were merged into one in 1957 and three new churches have been organized, making a total of 90 churches now in the District. A fourth new church, organized in 1952, was counted in when the District was formed.

The Burlington District includes the churches in Alamance, Caswell, Chatham, and Lee Counties, one-half of Moore County, and four fringe churches in Harnett, Orange, and Person Counties. Alamance County has one church in another district, Caswell has one, and Chatham has seven. Moore County has 19 churches, 10 of which are in the Burlington District.

The Burlington District was formed in 1954 by taking the following charges from the Durham District: Alamance, Bethel; Burlington: Davis Street, Fountain Place, Front Street, Glen Raven, Trinity, Webb Avenue, West Burlington; Burlington Circuit, Fairview, Friendship, Graham, Haw River, Leasburg, Mebane, Milton, Mt. Hermon, Pittsboro, Pittsboro Circuit, Salem-Chapel, Saxapahaw, Silk Hope, Swepsonville, Whitney Cross, and Yanceyville, — 52 churches;

From the Fayetteville District: Bonlee, Broadway, Carthage, Center, Glendon, Goldston, Robbins, Robbins Circuit; Sanford: Jonesboro Heights, Steele Street; Siler City, and Siler City Circuit, — 32 churches; and

From the Raleigh District: Moncure, — 4 churches; total, 88.

At the 1959 meeting of the Annual Conference there were 90 churches in the Burlington District, as follows, by counties:

Alamance County: Bellemont, Bethel (1), Bethel (2); Burlington: Davis Street, Front Street, Faith (formerly Glen Raven), Grace, St. Paul (formerly Fountain Place), Trinity, Webb Avenue, West Burlington; Cedar Cliff, Concord, Fairview, Friendship, Glencoe; Graham: Christ Church, First Church; Haw River, Mebane, Mt. Hermon, Mt. Vernon, Phillips Chapel, Rock Creek, Salem, Saxapahaw, Shiloh, Swepsonville, -- 28;

Caswell County: Bethel (1), Bethel (2), Camp Springs, Hebron, Leasburg, Locust Hill, Milton-Connally, New Hope, Prospect, Purley, Semora, Shady Grove, Union, Yanceyville, — 14;

Chatham County: Asbury, Brown's Chapel, Buckhorn, Center, Chatham, Flint Ridge, Goldston, Hickory Grove, Hickory Mountain, Hope, Meroney's, Moncure, Mount Vernon, Mt. Zion, Piney Grove, Pittsboro, Pleasant Hill, Providence, Sapling Ridge, Siler City, West End (Siler City), Zion, — 22.

Lee County: Broadway, Bethlehem, Carbonton, Center, Cumnock, Jones Chapel, Lemon Springs, Memphis, Poplar Springs; Sanford: Jonesboro Heights, Steele Street, Trinity, — 12;

Moore County: Bascom's Chapel, Cameron, Carthage, Cool Springs, Fair Promise, High Falls, Mt. Carmel, Pleasant Hill, Robbins, Smyrna, — 10;

Fringe Churches: Harnett County, Morris Chapel, (1); Orange County, Clover Garden, Orange Chapel, (2); Person County, Salem, (1), — 4.

The District had only one district superintendent 1954-1960.

PRODUCTION STORY is a ten-year record, by counties, of the churches which were in the district at the 1959 session of the Annual Conference. A full page is given to each church, and following the churches of each county there is a summary page showing totals for the county as a whole. A few churches in the district are situated in counties where most of the churches are in other districts. These are classified as fringe churches and carry their own summary page at the end of the book.

Complete reports for circuit churches were not published in the Journal until 1955. Regular reports, Tables 1 and 2, were given for charges only, which were complete as to station churches. In addition, the Journal carried a supplementary table, Table No. 3, showing a few of the more important items for circuit churches. Therefore much detailed information is lacking, and where it is indicated in the items of this study it is marked as "not given."

In a few cases the information was called for, but was not given in the pastors' reports. For example, some pastors reported church school and other data for the circuit as a whole but not for individual churches. Several reported that the church had a Woman' Society of Christian Service but failed to give the number of members. These also had to be reported as not given. The abbreviation "n. g." means "not given."

Removal of names from church membership rolls by order of the quarterly conference was not reported until 1957. These were included in the transfer column, under "Transferred to other Methodist churches and discontinued."

The 1954-1955 conference year consisted of only eight months, due to a change in the time of meeting of the Annual Conference. This is reflected in the comparatively low figures seen for that year in membership change and in moneys raised.

No correlation is found between church school enrollment and average Sunday school attendance, for the reason that "church school" includes extended sessions, Sunday evening and weekday meetings, vacation church school, leadership education agencies, and many other activities and organizations of the educational program in addition to the Sunday school. (See Discipline, 1956, par. 243, for complete list.) Sunday school enrollment has not been reported separately since 1952. This study combines nursery and adult home members in a single column under the heading, "Home."

Finances are reported to the nearest dollar. Parsonages as well as churches are included in the columns "All indebtedness" and "Amount raised for buildings and improvements." Limited space does not permit a report of all financial items for each church. However, the first five items of money raised include practically everything raised for local work. The grand total for all purposes, less the sum of these items, will show approximately what the church raised "for others."

Money raised for pastor's travel and expense fund was reported first in 1953, and then only by charges. Circuit reports on this item for 1953 and 1954

were prorated among the churches of the circuit in this study.

Adjustment was necessary also in the case of circuit churches in money raised for incidental and for church school expenses. Prior to 1955, "Table No. 3" combined these two items in a single column for circuit churches. In the present study the sums were divided into the two original columns.

Contributions to the College Fund were included in World Service and Conference Benevolences for the years 1957, 1958, and 1959.

Errors found in reports as published in the Journal are marked with an asterisk (*). Most of these occur in reporting membership change. A few are simple mistakes in addition or subtraction. In some cases the figures for churches on circuits were interchanged. When these are in the same county the county summary total is not affected. Actual gains and losses are used in computing net change for the period of this study. In case of error, this does not coincide with the pastors' reports. Church school enrollment totals were copied as they were published and were not checked for accuracy.

When the number of members of the church school reported as having joined the church on profession of faith is larger than the number of members reported in Table I as having been received on profession of faith, the entry is obviously an error and is marked with an asterisk in the column "Pupils join c." The number of additions on profession of faith, Table I, is substituted in computing the total number of pupils joining the church in these cases.

When an error could be corrected, the correct figure was placed as a footnote, by use of the number symbol (#). When entries were reversed for two or more churches on the same circuit, this study gives the correct figures for each church, with footnote cited by the number symbol. The interested reader is referred to the Journal in each case where this error is indicated.

Sometimes the name of a church is spelled differently in different years. Effort was made to ascertain the correct spelling of these names. If the name is also a geographical one, reference was made to census reports or a reliable atlas for authentication.

Obvious errors in the financial table, as in the apparent dropping or adding of a zero, are marked with an asterisk. The corrected figure was used in compiling the county summaries. Other errors were corrected in a footnote by using the number symbol. The correct figure was used in obtaining the total for the column.

A blank line is added to each table for each church. While it carries the stub "1960," it may be used for this or any subsequent year in any church for which further study of its PRODUCTION STORY is desired.
